## SHOW AND TELL

Show and Tell will be held every other week. It relates to the theme we are studying and we hope that you and your child enjoy looking for the things we ask them to bring in. Part two of this learning experience is the language development it promotes. Children like to talk about why they chose what they did, who helped them find it, etc. To help keep Show and Tell exciting, we ask the children to "hide" what they brought in their school bag until it's time for the activity. Watch the calendar for days and topics. Happy Hunting!

## FAMILY UNIT

During the next several months the 4's will be doing some art work concerning the family. These pictures will be kept and then compiled into a book. You will be given the "All About Me" book at conference time.

## BODY MOVEMENT MEETING

Those Moms/Dads who signed up to help with our Body Movement program should plan on staying after school for 10-15 minutes for a short meeting on Sept. 22/23. At this time you will chose specific dates for assisting. Children may stay at this meeting also.

## FIREFLY BOOKS

Several time during the year we will send home order forms for children's books. You may choose to order or not. If you should order please send either cash or a check made out to FIREFLY BOOKS. On your order form please indicate which class your child is from.

## FUNDRAISER

We will have several fundraisers during the course of the school year. You will receive information about each one as they occur. We will be raising funds to suppliment our budget and purchase items to enhance our curriculum.

## QUESTIONS

Anytime during the school year if you have questions or concerns please talk to either of your teachers or the directors. We will be happy to answer or explain anything and everything!
